

Kokum Butter Lotion Bar

Yield:

fills an 80 ml (2.65 oz) deodorant tube

Ingredients:

12 gm beeswax
24 gm kokum butter, or 12 gm shea butter & 12 gm cocoa butter
36 gm coconut oil
5 drops each: peppermint, orange, clove, and lavender essential oils

Directions:

1. Over low heat melt the oils in a pot. Remove from heat.
2. Add essential oils. Stir well.
3. Pour into tube. (Make sure the base of the tube is twisted all the way to the bottom so the maximum space can be filled.)
